Welcome.

I hope you’ll enjoy the products on these pages and on our website as much as I enjoy searching for them and meeting their artisan makers. The energy of the work is almost palpable! The creativity delights me and I’m tickled by the transformation of trash to treasure that you’ll find in many of the pieces (look for the leaf by the letter code). Whether you purchase for yourself or for others, you’ll find inspiration, encouragement, acknowledgement, whimsy and beauty throughout. Enjoy!

Wishing you many blessings,
Beth Coltoff Koren, Founder
